

## PHOTOGRAPHY TOUR Part 1 in Nagaland

Duration: (9N / 10D)

**Highlights:** Angami Tribe, Ao Tribe, Konyak Tribe, Lotha Tribe, Sumi Tribe

Cultural heritage is something we cannot physically touch, yet which has a major bearing on the way people live. Particularly in a tribal society with no written history, the knowledge carried by the tribe's members that is inherited from previous generations needs to be protected and preserved.

In this unique tour, we turn to photography in our attempt to record this intangible cultural knowledge as it manifests itself in the customs of North East India's tribal communities. Our aim is to photograph villagers dressed in their ceremonial attire and to hear their folk tales about the significance of the dress; to document the ribbon of tradition that runs through them all, tradition that can still be traced back to the time before modernizers and missionaries came.
